

Job Description:

Insurance Branch Manager

2024-02

Working Ventures Insurance (formerly Whitlock Insurance) takes pride in employing the best people to provide each one of our clients with the highest standards of professional expertise and customer service. We are currently recruiting for a Branch Manager.

As the Branch Manager, you will use your insurance expertise to effectively manage and support your team to achieve established sales targets and strategic goals, while focusing on employee engagement and client retention.

Qualifications:

- General Insurance Level 3 License (Level 2 license considered)
- Supervisory experience leading teams to meet and achieve sales targets
- Experience in recruitment, staff development and performance management
- Professional communication, both written and verbal
- Positive and determined to succeed

If you don't meet all our qualifications, we still encourage you to apply.

We offer an excellent compensation package, annual salary range \$68,000-80,000, benefits, professional development, and training opportunities.

Interested applicants can submit a cover letter and resume via in person or directly to hr@growthfinancial.ca. We thank all applicants for their interest; however, only those selected for an interview will be contacted.
